

REMARKS

Applicant was mailed a Notice of Non-Compliant Amendment on August 5, 2004 indicating a complete listing of all the claims was not present and granted a one month period to reply by submitting a corrected Amendments to the Claims section. Claims 22-33 were pending in this application. Claims 1-21 had been previously canceled. Applicant has resubmitted a listing of the claims indicating the cancellation of claims 1-21. This includes both claims erroneously numbered "20" in the base application as explained in the preliminary amendment mailed on July 11, 2003. Applicant submits that the submission of this paper renders the amendment mailed on July 20, 2004 compliant and requests consideration of that amendment.

Should the examiner have any questions, please feel free to contact the undersigned at the earliest convenience.

Applicant believes that no fees are due with this amendment. However, if any additional fee is required, authorization to charge Account No. 21-0800 is granted; likewise, any overcharge may be credited to the same account.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
